Property Description

A glorious flock of 18 magnificent villas resting in the New Golden Mile, between Marbella and Estepona are for sale; the properties are within walking distance of almost all amenities that includes restaurants, shops, supermarkets and more. The Sui generic properties have been designed and finessed with the maestro ideas of a renowned architect and developed by a famed developer in Marbella since 1997. Each of these villas has been caressed so much that the nonpareil efforts to design it have come out with flying colours, evident from its exquisite layout. Girdled with famous golf courses, International schools and the Puerto Banus, its location complements the privileges offered by the community. Contact the Marbella Real Estate team.
